

Edit your saved quotes and bookings

You can use the portal to **edit saved quotes and bookings up to 24 hours before** the start of the ride in question. Please contact the 24/7 Customer Support team for changes less than 24 hours in advance.

If the change affects the hours of the ride (day and/or time), the pick-up or drop-off points, or the type of vehicle, the system will recalculate the price since there may be significant variations.

You can access your requests in the **“Quoted”** or **“Confirmed”** tabs of the **“My Rides”** section.
